---

Do you want to shade the blocks based on population or minority pop? Or just leave the road map or image?

Jeff:

Can you send me a map of the area around the site considered?

Gary,  
Attached is the report for a half mile around the CES Environmental parcel. The report displays the 2010 Census Block Data. Let me know there is any other information you need and we can take a look at the block group level data.

**Jeff:**

**Can you give me demographic information for 1/2 mile from 4904 Griggs, Houston, TX ?  
Sometime in the morning on Thursday.**

**Thanks**

**Gary Moore**
